

Applying For Credit Financing with V12

Enter Cash Price **£1,000.00**

In association with V12finance.com, we are able to provide finance plans to suit a range of needs. The Buy Now Pay Later and Classic Finance options are available on purchases over £350, with only a small deposit to pay.

Applying for credit is undertaken online at the checkout stage. There is a drop down option at the foot of the "Your Shopping Basket" page, just above the checkout button. The "Apply for V12 Financing" option should be highlighted.

The application process only takes a few minutes, with your finance approval turned round

To help you in choose the finance package that suits you, we have created a PDF that contains a sample credit application, of £1000. Please click below to download and view.

Please note that for any Special offers or Package deals that are not covered through the AV-Sales.co.uk online process, please contact us on 08707740730 and we can help process the initial stages of your credit application.

Buy Now Pay in 6 Months: On all purchases above £350

The Buy Now Pay Later scheme (BNPL) is an excellent way to buy your home entertainment equipment right now. You can purchase and enjoy the benefits of any eligible product or combination of products from our website, with **only a 10% deposit to pay and make no payments for 6 whole months**. Plus, it's now available on purchases of just £350 or more, see

Cash price (inc. delivery & VAT)	£1,000.00
Deposit (10%)	£100.00
Amount of loan*	£900.00
Total Interest for credit	£604.02
Total amount payable	£1,604.02
Balance payable (if not settled within 6 months)	£1,504.02
42 monthly repayments of	£35.81
APR	29.80%

This is a Buy Now Pay Later loan agreement. After any deposit, you will not make any payments for 6 months prior to which, you have the opportunity to pay the full remaining balance and pay no interest. Please note that there is no obligation to settle the loan early, you can simply continue to make your loan repayments on a monthly basis at the interest rate shown on your loan agreement.

This agreement will attract a one off service fee of £25.

This type of loan attracts interest, which is calculated daily and debited monthly in arrears on each monthly instalment date and in calculating the APR, no account has been taken of any variations that may occur in the Interest Rate.

***If the Amount of loan indicated here is paid in or before 6 months then no interest is payable. £900.00**

**Buy Now Pay in 9 Months:
